

COP4710 Term Project: Data for Demo

Purpose

Use this new data during your recorded demo to simulate real-time operations.

New User to Register

Name: Taylor Finch

Email: taylor.finch@ucf.edu

Password: Demo123!

Role: Student

University: University of Central Florida

New RSO to Create

RSO Name: Future Innovators

Description: A student-led initiative promoting innovation and technology.

University: University of Central Florida

Admin Email: taylor.finch@ucf.edu

Additional Members:

- avery.wynn@ucf.edu
- skyler.dale@ucf.edu
- reese.lang@ucf.edu
- quinn.mercer@ucf.edu

Note: Must enforce RSO activation rule: minimum of 5 members with the same email domain: @ucf.edu.

Events to Create

RSO Event

Event Name: Innovation Kickoff

Type: RSO

RSO: Future Innovators

Date: 2025-04-20

Time: 4:00 PM

Location: Engineering Hall, Room 102

Contact Phone: (407) 123-4567

Contact Email: taylor.finch@ucf.edu

Private Event

Event Name: Career Prep Workshop

Type: Private

Date: 2025-04-21

Time: 6:00 PM

Location: Business Building, Room 201

Contact Phone: (407) 987-6543

Contact Email: admin@ucf.edu

Public Event

Event Name: Campus Cleanup Day

Type: Public

Date: 2025-04-22

Time: 10:00 AM

Location: UCF Reflecting Pond

Contact Phone: (407) 555-1212

Contact Email: outreach@ucf.edu

Note: Show your implementation (trigger/query) that prevents overlapping events at the same

location and time.

Comment Task

Using Taylor's account:

- Add a comment: "Excited for this event! Hope to meet fellow innovators."
- Edit the comment: "Can't wait to network with everyone!"
- Delete the comment.

Event Visibility Test

Log in as another user (e.g., avery.wynn@ucf.edu) and verify:

Event Type	Visible To
Public	Everyone
Private	Students from UCF
RSO	Only RSO members
